

KMDI Presents...

# The Food Pantry Challenge!

Here's some **Breaking DI News!**

Bring non-perishable food items to the KMDI Tournament on March 27, and make a

**DIrect DIposit** into the boxes in the front lobby. **You're Gonna Flip!** if your Challenge brings the most items per team registered in your Challenge, because you'll have your results announced first at the Awards Ceremony! So it's time to

**Do or DI**, and take on this Challenge!

Our **DI-BOT** will complete the task by delivering the food items to the St. Boniface Food Pantry.
